Welcome to the STEAM Tourist Ship Line CA & their Employment Program, I am Mr Frank Harrison the personnel manager Steam Line CA , this is to inform the general public/ all interested applicants that there exists employment oppurtunities in our Company .All interested persons are required to apply for the vacant positions in the company with their cv's/international passport

[STEAM Tourist Ship Jobs: Travel The World And Get Paid On It!](#)

Is there an exotic destination that you have always been dreaming of going to? When you start working on Board with Steam ship, you can easily visit there , After working in the ship,Csl Inc line will help you to travel to any part of the world hence you are employed with us .

Perhaps you would like to go to U.S.A ,Canada , the Caribbean Islands ,Alaska,Bermunda,Japan,Europe, Africa and other world destinations. Working on a CSL ship will allow you to see such places, meet new people, experience different cultures and climates, and make a good income too. What's more, we provide food and accommodation for all our staff.

We offer full-time employment aboard our vessels (not limited contracts like most cruise lines do). Qualified candidates will work a schedule of six weeks on our vessels, followed by a well-deserved two-weeks off duty. Our Crewmembers work an average of ten to twelve hours a day, seven days a week. Room and Board are provided and depending on the position, some uniforms may be provided. Relocation is not necessary, as the company provides transportation cost to and from the vessels.

Vital Information for Intending Applicants:

All intending applicants must be above 21 years of age and should have the ability to work under sea conditions, maintain a friendly relationship with fellow workers, As a condition for employment ,all applicants are subject to a pre-employment drug screening and other checks that has to be carried out ,the United States & Canadian Coast Guard regulated physical and an extensive criminal background check.

We welcome a maximum number of 1 to 5 persons to work as a team to work with us as we travel around the globe.

Positions in the dining room, cocktail lounges and passenger areas account for many jobs on the vessels and involve constant passenger service opportunities. For those with culinary skills, our passengers and crew galleys offer a variety of kitchen jobs. Navigation and Engineering positions are also available.

The onboard Human Resources Coordinator coordinates a variety of social and sport activities for crew members & Tourist onboard too. E-mails could be received and sent from on board on the vessels, phone calls can be made, and money orders are available onboard to help you conduct your personal business. Medical care for emergencies are also available.

Pay day is every other week. You will be able to cash your paycheck onboard, or arrange for direct deposit. And because your meals, lodging, and most onboard necessities are provided by the Company, you should be able to save a good part of your money!

At the Canadian Steamboat Tourist Company, we provide fond memories and uncompromising service to our passengers. Hard work and many weeks away from home make your onboard experience unique and a special employment challenge. We are known for attentive guest service and gracious hospitality on the vessel. Every position with the Canada Steamboat Company must reflect our commitment to excellence in passengers service and safety; it has been the foundation of our success over the years .

"I've Never Worked in the ship company Before"

No problem! (Unless you want to work as captain or some other position directly related to the operation of a Steam Tourist Ship Line CA!). The vast majority of positions available on a Steam Tourist Ship Line CA requires no previous Ship experience.
