## CAREER

Canada Steamship Lines and fleet manager V.Ships offer mariners a solid work-life balance, including an excellent salary-benefits package, flexible vacation schedules and career advancement opportunities. CSL-V.Ships have immediate openings for navigation and engineering officers with both our new and existing fleets.

## GROWTH

CSL continues to invest in its fleet, and is currently building its latest-generation Trillium Class self-unloaders. These vessels feature the most advanced engineering, navigation and cargo handling systems for the Great Lakes.
